

11. How is GM helping to promote the Network to vehicle owners?

The GM Canada Collision Repair Network is featured on the [GM website](#), which includes a link to an [online facility locator](#) of all active shops. Using the locator, vehicle owners can easily find the contact and website details for the Network collision repair facilities located closest to them.

12. How do I contact the GM Canada Collision Repair Network Program Headquarters?

You can reach us by phone at (800) 238
